Dear David Dirkse and Eric Petersen;

I would like to personally thank you for your assistance in moving the antique piano found on the Van Raalte property. You went above what was originally asked and played a key role in resurrecting this historic piece. Holland places importance on the preservation of its past, and without citizens such as yourselves, this would not be possible. On behalf of the city of Holland, thank you once again for all your help and please accept these City of Holland coasters with our gratitude. We greatly appreciate your commitment to our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Kurt D. Dykstra". The signature is written in a cursive style with a large, prominent initial "K".
